

Paul Csavdari is a former pastor and presbyter of the Seventh Day Adventist Church. He received the revelation of the Oneness of God and his need for baptism in Jesus Name. He contacted me through Brother Jason Dulle, California, who operates a web ministry dedicated to Oneness theology. When Bro. Csavdari read the article and saw the belief that he now held, he communicated to Bro. Dulle who, in turn, contacted me as the Romanian missionary. I was happy to baptize Bro. Csavdari in the wonderful name of Jesus in the Black Sea off the coast of Constanta, Romania. Bro. Csavdari then baptized his wife, son, and uncle. The truth marches on and on and on...
